## **Parent Curriculum Showcase/Art Show**

We are excited to announce a new *Parent Curriculum Showcase* being piloted this spring, which will give parents a greater opportunity to see what teaching and learning looks like in our schools! Please save the date for April 19th at Roberge and Woodside, and May 21st at Holdrum!

This new interdisciplinary approach will highlight the dynamic projects students are working on to enhance their communication, collaboration, and critical/creative thinking skills, by combining what was previously "Parent Visitation Day" with the district's curriculum showcases and art shows.

To that end, on Thursday, April 19th at Roberge and Woodside, and Monday, May 21st at Holdrum, each school will be hosting a *Parent Curriculum Showcase* in the morning, followed by an evening version coupled with our art shows.

Principals will provide parents with more information next week, but please save the date(s) for this exciting new opportunity to learn more about our schools!

## **Roberge School Community Forum on April 18th**

Parents and community members are invited to attend our spring Board of Education Community Forum at Roberge School on April 18th. To accommodate parents, a morning forum will be held at 9:00 A.M. and an evening forum at 7:00 P.M. The focus will be on: (A) enhancements being made to the district's SAGE program, and (B) new regional mathematics curriculum being implemented in the upcoming school-year. We hope you can attend!

## **Spring Break 2018**

As a reminder, all River Vale Public Schools will be closed for Spring Break beginning Friday, March 30th through April 6th. We hope everyone is able to relax with family and friends and come back rested for the home stretch!
