

Message from the Superintendent

Dear Parents/Guardians:

This afternoon we were fortunate to have the opportunity to host a visit from members of the Bergen County SWAT Team, organized by our partners in the River Vale Police Department, to tour our schools and provide us with the most current best practices regarding school security.

These visits represent an important opportunity to collaborate with professionals in the field to observe our practices and provide us with invaluable feedback.

Although we cannot share confidential information about our school security protocols, I wanted to make you aware of today's visit and reinforce the district's continued commitment to preparing for, managing, and responding to school emergencies, which is vitally important to ensuring a safe educational environment for students and staff.

Thank you for your continued support of our schools, and please always let us know of any questions you might have.

Sincerely,

Rory McCourt, Superintendent of Schools
