3rd Annual Distinguished Speaker Series

All community members are invited to attend a presentation by Dr. William Deresiewicz, author of "Excellent Sheep," on Tuesday, February 6th at 7:00 P.M. at Pascack Valley High School, as he offers his unique and important perspective on what a quality education is, the purpose of schools, and how your child can be best prepared for a changing and unpredictable world. There will also be a book signing for parents, students, and teachers. Please [click here](#) to view an informational flyer on the author and this event. We hope to see you there!

Holdrum Community Forum on February 8th at 9:00 A.M. and 7:00 P.M.

Please save the date for our next community forum, which will be Thursday, February 8th at 9:00 A.M. and 7:00 P.M. at Holdrum Middle School, where we are excited to share two new programs Mr. Cody and his staff are working on for next year: (1) an "academy" program, where students will have the opportunity to have their work acknowledged at graduation beyond the traditional academic program, and (2) a differentiated, "specialization" program in art and music where students will have the ability to specialize more in these two subject areas. We hope to see you there!

K-2 Family Math Night on February 15th

On Thursday, February 15th, the district will hold our annual K-2 Family Math Night from 6:30-7:45 P.M. at Roberge School! **** Doors open at 6:00 P.M. for sign-in.** Parents and students in kindergarten, first, and second grade are invited to attend. Parents will experience activities that can help their children learn important math concepts, and receive tips from teachers on how to best support that learning at home. Please note that space is limited, so we ask that you click [here](#) to sign up in advance for this exciting event!
