Dear Parents/Guardians:

The River Vale School District will continue to operate the milk program for the months of September through June.

In order to continue the timely implementation of this program, the Board of Education is requesting that monies for milk be collected **twice a year**. The cost of the milk will be \$.40 per container. There are one hundred eighty-one (181) eligible days from September through June; which will be broken into two separate periods. The cost for purchasing milk for Period One, September through December, 2017, is \$36.40. A second notice will go out to all students in November to purchase milk for the remainder of the school year.

Please make your check payable to the **River Vale Board of Education** in the amount of \$36.40 and mail it to this office marked "**Attn: Milk Program.**" Do not send cash. No refunds will be given.

Payment is due by July 10, 2017. The distribution of milk will begin with the first day of school. Should you have any questions regarding the milk program, please contact Mrs. Kelly Ippolito at 201-358-4003.

Sincerely,

Kelly Ippolito
